GENERAL PRICE LIST

These Prices Are Effective As Of July 1, 2019.
Prices are subject to change without notice.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any cremation/funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the cremation/funeral goods and services you selected.

REGISTRATION and MEMBERSHIP

Completion of the simple Membership and Authorization form enables prompt fulfillment of the member's instructions at the time of death. A membership card is issued and a permanent file is maintained at the Society office. This fee defrays the cost of setting up and maintaining your records. It is not refundable, nor an offset to final service cost.

SINGLE MEMBERSHIP \$20.00

COUPLE MEMBERSHIP \$30.00

DIRECT CREMATION*

This charge includes: transfer of the remains to our facility, necessary services of staff, care of body, local transportation to the crematory, and cremation service charge. This charge does not include visitation, rites or ceremonies prior to cremation of the remains. (An additional charge of \$3.00 per mile driven in excess of 30 miles from any of our locations will be added.)

If you want to arrange a direct cremation, you can use an alternative container. Alternative containers encase the body and can be made of materials like fiberboard or composition materials (with or without an outside covering). The minimum container we provide is fiberboard.
